What's New in the Sixth Edition In the previous edition, Chapter 1 Introduction was modified to emphasize the relevance of heat transfer in various contemporary applications. It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

Read Book Introduction To Heat Transfer 6th Edition Solution Manual

▪
