Sticks | The ... Use a hardening modeling clay to construct a Greek temple to display in your classroom. To create the look of the modeled stone of the temple, combine gray and white clay together and run it through a pasta machine. This will gently mix the colors together without blending them fully. Construct the temple and allow this to harden. Ancient Greek Temple Art Projects for Children | eHow this greek temple was alot of fun to do! I made it for my sister who teaches 3rd grade and has a unit on Greece and Rome. This is just perfect for the kids to look at while learning about the ancient civilization. The modle takes patience to make, especially all the little pillars. But the end result is so neat! Make This Model Greek Temple
