And The Photographers Eye shows  
how anyone can develop an eye for  
seeing great digital photos. The  
book explores all the traditional  
approaches to composition and  
design, but crucially, it also  
addresses the new digital technique  
of shooting in the knowledge that a  
picture will later be edited,  
manipulated, or montaged to result  
in a final image that may be very

... Composition is a way of guiding  
the viewer's eye towards the most  
important elements of your work,  
sometimes - in a very specific  
order. A good composition can help  
make a masterpiece even out of the  
dullest objects and subjects in the  
plainest of environments.
