Translation Techniques: Problems and Solutions - ScienceDirect What are the Problems of Translation and its Solution. By medtrans September 6, 2018 General. Translation isn't a natural process, so any languages that need to be translated should be undertaken by experienced translators who know both the source and targeted languages well. One of the common challenges in translation is having a deep understanding of not just the language but also the culture of the two languages that need to be translated. An entire history of literary translation is far too big for the scope of a single article. Indeed, The Oxford History of Literary

Translation in English runs to five whole volumes, such is the depth and complexity of the subject. Suffice to say that literary translation has been taking place for thousands ... The Challenges of Translating Literature | K International Translation Problems 6.1 Introduction In this chapter we will consider some particular problems which the task of translation poses for the builder of MT systems — some of the reasons why MT is hard. It is useful to think of these problems under two headings: (i) Problems of ambiguity, (ii) problems that Chapter 6 Translation Problems The translation strategies used to solve cultural translation problems were analysed in different levels of acquisition of the translator's cultural competence. Using translation strategies to solve

cultural translation ... A translation problem is any difficulties we come across at translating that invites us to stop translating in order to check, recheck, reconsider, rethink or rewrite it or use a dictionary, or a reference of some kind to help us overcome it and make sense of it. Advances in Language and Literary Studies Through the questionnaire and the translated text, it is clearly demonstrated that they like translation, but they meet some problems; of lexical nature. The results show that, the students' solutions resort to some strategies like guessing the meaning form the context, using approximate synonym, or just leaving it empty. Setting ... Nevertheless, the problems of translation
have seldom been studied from this standpoint. This
situation is due to many factors. First, most
translations with which we are familiar have been
carried on within the Indo-European language-family,
and, for the most part, the culture of this linguistic area

is relatively homogeneous. ...
